

COMPANY PROFILE

WE CREATE DATA DRIVEN TECHNOLOGY SOLUTIONS
TO ENRICH THE LIVES OF THE COMMUNITIES WE SERVE.

www.bileeta.com

Bileeta in Brief

We are an award-winning Technology Company that takes pride in developing innovative Enterprise Solutions to empower various industry landscapes, focusing on offering better experiences for the communities we serve. We are a trendsetter; our core philosophy is to create state-of-the-art technologies to help humankind and enrich people's lives.

With a proven track record of 11 years and 100+ staff strength with cumulative experience of more than 400+ years, our expertise covers a larger spectrum of scalable solution landscapes such as ERP solutions, Electronic Logistics Management Information System (eLMIS) solutions and Vaccine Information Management Systems (VIMS), Agri tech solutions, Intelligent Decision Support solutions etc.

As a result of our innovative solutions, organizations worldwide have experienced benefits by streamlining operations with insightful analytics to reduce costs, increase profitability, improve process and service standards, and enhance stakeholder satisfaction.

We are the world's leading Electronic Logistics Management Information System (eLMIS) provider. Our expertise and technologies have been recognized globally, praising our attempts to solve national scale health commodity distribution problems. The leading organizations such as Bill & Melinda Gates Foundation, USAID, UNDP, GAVI, The Global Fund, Digital Square, Accenture have rated us as **“ The preferred vendor and the only fully Compliant Solution in The World ”** for National Health Commodity Supply Chain Management for countries.

“

The company has continuously showcased the excellence of its solutions by winning outstanding awards such as the **Overall Gold Award at The National Best Quality ICT Awards 2014 (NBQSA)**, an annual event organized by the British Computer society and The Chartered Institute for IT in Sri Lanka; **Winner for health informatics at Commonwealth Digital Health Conference & Awards 2017**, **Most Outstanding ICT Innovation Addressing National Calamities (Commercial Category) at NBQSA 2020**, **The Winner for Citizen Services & Digital Government in Public Sector & Government Category at NBQSA 2020**, and **APICTA Winner in Year 2021**.
